DELTA SIGMA PI

America's Foremost Professional Business Fraternity

Message from the President

Dear Prospective Corporate Sponsor,

The international fraternity of Delta Sigma Pi was founded in 1907. Delta Sigma Pi is a co-ed professional business fraternity organized to foster the study of business in universities in the following manner: to encourage scholarship, to promote closer affiliation between the commercial world and students of commerce, to further a higher standard of commercial ethics and culture, and to promote the civic and commercial welfare of the community. The Alpha Zeta Chapter was established on the campus of the University of Tennessee, Knoxville in 1924. Our current goals include cultivating successful business students, developing our professional personas, providing students with resources to grow academically, and making a notable presence in giving back to the community.

We are currently seeking partnerships with partnerships with corporate sponsors in the Tennessee: Knoxville area. Organizations interested in becoming Delta Sigma Pi sponsors may choose from three different donation tiers. These tiers include the friendship level, the purple level, and the gold level. There are numerous benefits to your sponsorship, but I believe the most important one is the opportunities that you provide for our brothers. Without your help we would not have the leadership development or professional growth that is so essential to our development during our college careers. There is not a way to compose how grateful our members are for your support, and we look forward to the opportunity to create a relationship that lasts for years to come.

Your consideration in supporting Delta Sigma Pi is greatly appreciated.

Best regards,

Olivia Zimberg

President of The Alpha Zeta Chapter, 2023-2024
